**Re: Clarification, Potentially Eligible Blocks, AU Docket No. 13-53,
Tribal Mobility Fund Phase I Auction Scheduled for October 24, 2013**

Dear Ms. Dortch:

On behalf of Central Louisiana Cellular, LLC d/b/a Cellular One (“CLC”), this is to respectfully clarify certain facts regarding the lists of potentially eligible census blocks for Auction 902; see, e.g., *Public Notice*, AU Docket No. 13-53, DA 13-323, Att. A-2 (March 29, 2013) (*Public Notice*).

At present, the lists of potentially eligible census blocks for Auction 902 include, without reference to Auction 901, certain areas for which CLC was tentatively designated as a winning bidder in Mobility Fund Phase I Auction 901. *See* “Mobility Fund Phase I Auction Closes; Winning Bidders Announced for Auction 901,” *Public Notice*, AU Docket No. 12-25, DA 12-1566, 27 FCC Rcd 12031, Att. A (2012). In contrast, the Attachments do indicate areas subject to other bidders’ winning bids in Auction 901, with the note “Subject of Auction 901 Winning Bid.”

CLC was tentatively designated as a winning bidder for the following areas. It respectfully requests modification of the potentially eligible census blocks lists for Auction 902 in order to reflect the fact that the following areas are subject to CLC’s Auction 901 winning bids.

Proposed Bidding Area	Potentially Eligible Blocks	State	County	Tribal Area	Tract
